Commissioner for Patents

1. Please be advised that:

- The proposed amendment filed on February 7, 2005 under 37 CFR 1.312 has not been entered. The proposed amendment will require an additional inventor search, analysis and possible a further subject search.
- Applicant's petition under 37 CFR 1.182 filed on February 5, 2005 is rejected because the proper petition fee of \$400.00 was not submitted. The petition references the improper fee section (1.17(h) vs 1.17(f)) and limits the authorized fee to \$130.00. While the statement of Authorization to Charge Deposit Account limits the petition fee to \$130.00 with the authorization to charge additional fees to the deposit account, such authorization is in conflict with the limitation imposed by the petition, to include the improper section reference.

2. Please reference prior office actions for correspondence information.
